SCAN FOR COLORS:

Formica Laminates

Formica Laminates offer a broad range of top quality products that are accessible to all. Transform spaces with our modern laminates that are as beautiful as they are durable. Mix and match solids, graphic patterns and finishes. Available in solid colors, wood grains, patterns and pearlescent, DecoMetal and magnetic laminate- all products are post forming, durable, wear and impact resistant and horizontal and vertical.

SCAN FOR COLORS:

Formica Deco Leather

A recycled leather veneer that's redefined as a surface that beckons. Richly grained recycled leather in finishes that channel the distinctive texture of exotic crocodile, the warmth of walrus and the remarkable appearance of wild buffalo. The leather finishes provide sustainability, are durable, wear resistant and stain resistant.

SCAN FOR COLORS:

Chemetal Laminates

Chemetal is a manufacturer and distributor of metal designs and metal laminates for vertical and light duty horizontal use in commercial and residential interiors. Chemetal's massive collection of over 250 metal and metal laminate designs in aluminum brass, copper and stainless create expressive interior environments.

SCAN FOR COLORS:

Ultrapan

Ultrapan provides a variety of contemporary designs such as wood grains, pearlescent and solid colors. The high quality ultra gloss finishes are rich in color with a mirror like reflection with exceptional durability. Ultra-matte finishes possess a smooth soft touch texture that create a chic, modern look that hides even fingerprints. All finishes are scratch, stain and UV resistant, 100% eco-friendly and easy to maintain with superior durability.

SCAN FOR COLORS:

Egger

Egger produces a wide variety of wood-based panel products. You can choose from a wide range of products, refined with trend-oriented decors and surfaces such as, Feelwood surfaces that look and feel like veneer or solid wood, to decors in gloss and matt, to flame retardant products that are highly functional without limiting design flexibility.

SCAN FOR COLORS:

StyleLite

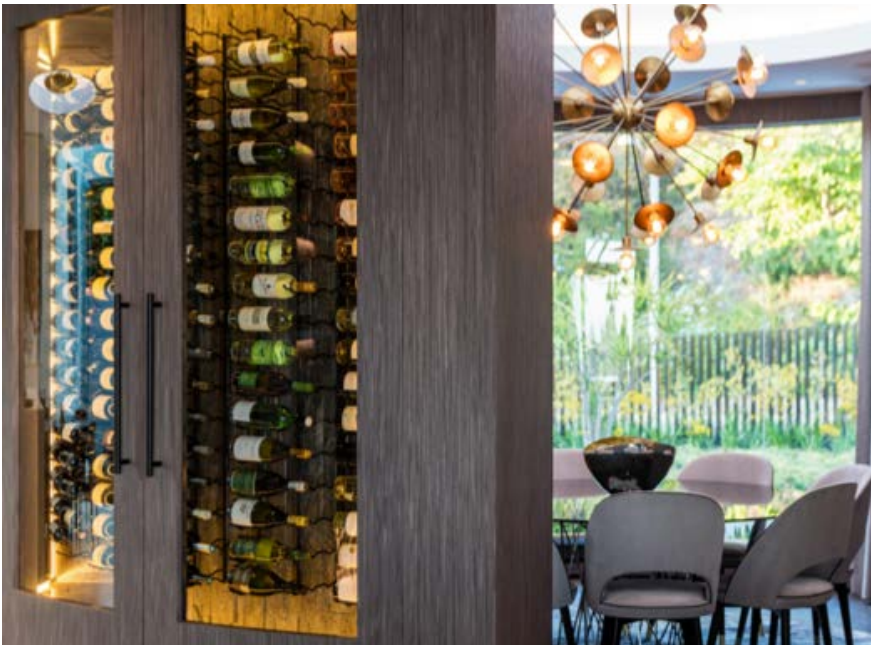

StyleLite provides ultra modern, high quality finishes. Some features include; ultra high gloss and matte ripple-free surfaces, perfectly balanced panels, UV and color change protected and a gloss surface that won't chip, crack, peel, flake or delaminate, all available in a range of different colors, lengths and thicknesses. StyleLite is perfect for many decorative vertical surface applications including: cabinetry, furniture, closets, storage and wall linings.

SCAN FOR COLORS:

Dixielam Boards

The DixieLam boards are offered in a wide range of building materials, including lumber, plywood, particleboard, oriented strand board, hardboard, engineered wood products, hardwood plywood, melamine, and specialty products.

SCAN FOR COLORS:

Brookside Veneers

Brookside Veneers provide high quality exotic wood products for doors, panels, furniture, and millwork for both residential and commercial areas. Brookside Veneers offers the most extensive and consistent array of colors, textures and grains available for use in projects that demand the quintessential beauty of fine wood veneers.

SCAN FOR COLORS:

Tree Frog Veneers

Tree Frog is a complete collection of European quality pre-finished real wood veneer laminate. It's not plastic, it's not printed, it's real wood. Ideal for commercial and residential interiors, Tree Frog's unique process ensures consistency in design spaces of any size.

SCAN FOR COLORS:

Hardwoods

We use both local and imported hardwoods. We have many different options that fit to any style including: Mahogany, Cedar, Teak, Apple-Matt, Oak, Walnut and more
